

All card art for *How You Come Undone, The Game* was created through the use of Midjourney AI. Below are the prompts used to create the artwork for each card.

1. Petty Thief:

a hooded man steals a purse in the streets of a futuristic cyberpunk city, he is on the run and there are police lights behind him and neon signs on buildings on both sides of the street

2. Sabotage:

an explosion rocks the 200th floor of a one thousand story futuristic circular skyscraper at mid day in a cyberpunk city full of modern/futuristic buildings, debris flies out into the air and clouds of smoke hang about the surrounding black buildings.

3. Shady Transaction:

a group of hooded individuals meeting at a sci-fi spaceship dock at midnight, on the dock is spaceship with its door open, out of which light pours. Outside the spaceship on the dock, the hooded individuals shake gloved hands

4. Determinism:

a long line of black metallic dominoes knocking each other over on top of a glowing blue futuristic circular table, the room is dark and the top of the table is a blue holographic grid

5. Corporate Power:

a massive Halo-esque spaceship built for war in the dead of space with large protruding guns under its nose and blue light emanating from small windows alongside the ship, a fleet of dozens of smaller ships around it and in the distance

6. No Remorse:

a massive pipe-like metal aqueduct running through a futuristic cyberpunk city surrounded by towering skyscrapers, the aqueduct is on fire and blue electrical sparks fly from it, in the sky is a small blue sun shines extremely brightly, piercing the clouds with white plasma-like rays of light

7. Indomitable Spirit:

A metallic andorid with a single eye sits on a throne in a dark futuristic room wearing a crown of thorns. It's eye shines a deep blue and it wears a long black cape that runs along the floor. Golden rays of light bathe the room

8. Deus Ex:

a massive octahedron looming over a small planet in the dark dead of space, it gives off a strange ethereal glow around its borders like a visualization of hawking radiation from a black hole, the massive octahedron also has small markings, lines and other details on its surface that give it the impression it was designed. There are stars in the background but mostly dark blank space

9. Petrovska Vessel 248984:

view from below of a bulky halo-esque sci-fi spaceship in the dark dead of space, no light and verly little color

10. Performance Review:

a hand touching a vertical holographic board on the wall of a futuristic office, the board displays in shining blue letters "1. Velvet"

11. Trinadier Althos:

an extremely tall, attractive man wearing a grey silk robe embroidered with diamonds and silver sitting at a futuristic desk with a holographic display in front of him. Behind him is a window with a view of the sky

12. The Cannon Channel:

view from a high-up window of people walking through a futuristic cyberpunk city, above the people is a massive futuristic metal pipe elevated in the air above the street which runs through the city

13. A New You:

close-up behind the head image of a girl with long but neatly curled dark hair walking through the precipice of a futuristic office floor, she is wearing a grey silk robe

embroidered with diamonds and silver, past her head in the distance of the office we see people wearing black suits and blouses looking back at her, cartoon art style

14. The Truth Hurts:

view from behind of a tall man with nice hair and an average height woman looking out the window of a small futuristic office, in the window is a view of the sky filled with clouds, the man is wearing a grey silk robe embroidered with diamonds and silver but woman is only wearing modern work attire, nothing flashy. On the desk of the office is a futuristic holographic table

15. The Night District P1:

a group of six people dressed in fashionable clothes walk down a red carpet into an extravagant club at night, the setting is a futuristic cyberpunk city, a large crowd of people stand in the distance

16. The Night District P2:

a crowd of people line up outside a futuristic cyberpunk club in a bustling city at night, people are smoking and talking, the crowd is lively

17. Unlikely Reunion:

a woman with dark hair walking in a large crowd of people in a futuristic cyberpunk city at midday, she and the other people pass under a massive metal pipeline between buildings

18. Promotion:

a glass office in a futuristic office floor, on the open door to the glass office is a vertical holographic tablet that shines blue letters spelling "Routing Supervisor," in the glass windows of the office is a view of the sky full of clouds

19. The Debt Collector:

a short man wearing a fedora smoking a cigar, face obscured, noir style, behind him are two large men with metal faces in black mob-style suits. On a dark street, one stream of light coming down from a futuristic lamp post above

20. The Unravelling:

a young woman with dark hair unconscious in a futuristic hospital room bed and on life support. There are scars on her face from surgery and a bright light hangs overhead. A small, friendly-looking robotic attendant waits next to her bed.

21. My Protégé:

view from behind of a group of men in black suits walking toward a futuristic cyberpunk-esque building above the clouds, in the middle of the group of men one stands out as extremely tall and wears an extravagant silk robe embroidered with gold and jewels

22. Friendly Banter:

a group of three friends wearing futuristic jumpsuit-esque work attire, one black woman, one white man, and one white woman with dark hair, talk and laugh mildly in front of a holographic desk in a futuristic office building, outside the window behind them is a skyline of futuristic buildings as well as clouds, cartoon art style

23. Sleeper Cell:

a girl in a black suit in a futuristic office floor above the clouds wearing a demonic mask, the people around her work at their holographic futuristic desks

24. Maxim:

A metallic android with a single eye sits on a throne in a dark futuristic room wearing a crown of thorns. Its eye shines a deep blue and it wears a long black cape that runs along the floor. Golden rays of light bathe the room

25. A New Beginning:

two suns rise over mountains on a verdant green farm valley on a forest planet, there are farm houses in the distance with people spread out across the valley, a young woman picks crops from a field, her parents work next to her, realism, detailed, warm lighting

26. Ultra Promotion:

an extremely tall, beautiful woman with dark hair, wearing a grey silk robe embroidered with diamonds and silver sitting at a futuristic desk with a holographic display in front of her. Behind her is a window with a view of the sky

27. Relocation:

an above look at a fantastical futuristic estate with beautiful green gardens and flowing water, white marble walls and a blend of roman architectural style with modern/futuristic bright metal

28. Looking Back:

an old woman sits in a wheelchair in a retirement home looking out the window, with a mildly scarred face. The view outside is of futuristic skyscrapers so tall they graze the clouds. Next to her is a futuristic life support system with a small friendly-looking robot attendant,
